ANNOUNCEMENTS.
TO THE ELECTORS OF ALLEN COUNTY: It is the duty of every citizen to exercise his right of suffrage in the election of a representative to the General Assembly. I am a candidate for re-election to the office of Sheriff of Allen County.

REPUBLICAN TICKET.
For Treasurer, W. H. LEBLANC.
For County Clerk, J. D. STOVER.
For Sheriff, J. D. STOVER.
For Register of Deeds, J. D. STOVER.
For Surveyor, J. D. STOVER.
For Coroner, J. D. STOVER.
For Commissioner of Dist. A. J. McCARLEY.

OUR LOCAL ELECTION.
The Republicans of Allen County recognize the importance of the election to their cause in the local election of this fall.

STATES RIGHTS.
The Democratic convention last week declared itself in favor of "local self government," and the delegates present with a thoughtful unanimity and unanimity for the resolution. There is a "catch penny" for some denigration of a politician, who, knowing that there is a disposition on the part of many to blame the ruling party for all ills, whether public or private, thinks such a declaration will have a tendency to make some believe that their private rights are being invaded by the State.

FOR SHERIFF.
The Republican candidates are before the people. Elsewhere we have spoken of all but the sheriff. In regard to our candidate, Mr. J. D. Stover, it is our pleasure and duty to make a few statements. It is frequently said and is now generally admitted that the better the man the better the stories. We have personally known Mr. Stover for many years. Long before he was elected Commissioner for this District he was known and universally liked by our best citizens.

WHO IS IT?
Some gentlemen evidently lost a letter which was handed to us with a request to publish it. "Eph." can obtain the original by calling at this office. It hits somebody. Read and see: To Editor, Register, Chillicothe, Mo.

THE BEST I EVER KNEW OF.
J. G. Starkey, a prominent and influential citizen of Iowa City, says: "I have had the Dyspepsia and Liver Complaint for several years, and have used every remedy I could hear of, without any relief whatever, until I saw your Shiloh's Kidney Pills advertised in your paper, and was persuaded to try it. I am happy to state that it has entirely cured me. It is certainly the best remedy I ever knew of." Price 75 cts. Sold by R. B. Stevenson, druggist, Iowa, Kansas.

A MOTHER'S GRIEF.
The pride of a mother, the life and joy of a home, are her children, hence her grief when sickness overtakes and takes them away. Take warning then, that you are running a terrible risk, if you have a Cough, Croup or Whooping Cough, which lead to Consumption, if you do not attend to it at once. SHILOH'S CONSUMPTION CURE is guaranteed to cure them. Price 10 cts, 50 cts and \$1.00. For Sale Everywhere. Price 25 cts. Sold by R. B. Stevenson, Iowa, Kansas.

THE CONTRAST IS STRIKING.
As may be seen every day by the most casual observer of humanity, on our streets and highways, some walking briskly, talking gaily and laughing heartily, the living impersonations of good health; whilst others appear languid, tired, disturbed, cross and unkind. He naturally reverts to the cause of such a difference, and finds that the latter suffer from some lesion of the liver, kidneys or spleen, or from some of the other internal viscera, producing an indigestion as to what becomes of them; whilst the former, in health, and have a smile for life's troubles by judiciously using HOME STOMACH BITTERS.

GREEN'S AUGUST FLOWER.
It is natural for people suffering with Dyspepsia and Liver Complaint or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Habitual Constipation, Palpitation of the Heart, Heart Burn, Water-brash, gnawing and burning pains at the pit of the Stomach, Yellow Skin, Costive Tongue, and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c., to put off from day to day buying an article that they know has cured their neighbor, friend, or relative, yet they have no faith in it until it is too late. But if you will go to your druggists, R. B. Stevenson or Jno. W. Scott, and get a bottle of GREEN'S AUGUST FLOWER your immediate cure is as certain as you live. Sample bottle of this medicine can be obtained for 10 cents to try its superior virtue. Regular size 75 cents. Try it, two doses will relieve any case.

NINELAND, October 7th, '79.
W. H. Barnes is hauling coal from Ft. Scott.

John Gordon is attending school at Iowa, taking lessons in surveying we presume.

The Misses Strong returned from Illinois last Friday. They propose teaching this winter.

During the past week Mr. Cotton drove in one hundred head of the finest steers to be found in the western counties. He assorted them, leaving fifty with Mr. Carter, and drove the balance to his home in Missouri.

Young & Carter have made over 1000 gallons of sorghum in 18 days with a one horse mill and small pan. Cane is now popping.

Our tri-weekly mail has become an actual reality. Our people feel much relieved by getting mail the last of the week.

W. C. Carter has a sweet potato weighing nearly six pounds.

Montevale school opened with about thirty pupils, which number is claimed to be doubled soon. Last year they could scarcely find the required number for an organization.

The Haymakers' match game of ball was a failure. They are to be ground up at Wilsonville the 18th inst. By-the-way, we should like to know where our brother over south got authority for that list of members in the Haymakers' club.

W. F. Young is preparing to migrate to Humboldt where he will attend school a short time after which he expects to teach in that vicinity.

We deny "Trying to get money enough to pay the preacher." Several friends have insisted on donating the requisite. It is to the "damned" it was not on the Osage but at Fairlawn, and not represented by the pronoun he.

Our prudent Democrats fear their candidate for sheriff will pledge himself to that party, in which case they know "it's a gone."

Anticipating a row at Montevale yesterday we went over to soothe the wounded, and in case all were killed, to let the world know. The affair in detail ran as follows: The house was filled with the Sabbath school workers. After these were dismissed the colored minister that there was some opposition to their holding meeting and asked him to withdraw which he did immediately. Some dissatisfied parties, however, opened argument and a general irregular discussion followed. This was led by C. R. Hale, the widow Southwick and her daughter against the school board and will close the house against everything but the school. We suggest that they be careful lest they sacrifice not only their meetings and excellent Sabbath School but also damage their public day school.

Abel Cook and his cousin Charlie are preparing to go to Iowa where they will remain a year.

Some of our fair sex were desirous of noting the pattern of Mrs. Hayes's dress. Why don't they comb their hair a la mode?

We had the pleasure of a visit to Walnut Grove Sabbath School last evening. The school seems to be recuperating slowly.
